THE TITLE

by *THE AUTHOR*

UNIVERSITY OF Hull
Department of Computer Science

A dissertation submitted in partial conformity with the requirements for the degree of Bachelor of Science (BSc) in Computer Science

Supervisor: *THE SUPERVISOR*
2nd Examiner: *THE 2ND EXAMINER*

Appendix A

Considerations

A.1 Legal Considerations

There are no legal implications within the context of this dissertation.

A.2 Ethical Considerations

There are no ethical implications within the context of this dissertation.

A.3 Social Considerations

There are no social implications within the context of this dissertation.

A.4 Professional Considerations

There are no professional implications within the context of this dissertation.

Table B.1: A table caption.

B.2 Figures

Figure B.1 contains a single image in landscape format scaled to 75% of the current line width.

Figures B.2a and B.2b are sub-figures withing figure B.2 but can be individually referred to. Figures B.2a and B.2b are both scaled to 37.5% of the current line width.

B.3 Tables

...

(a) (b)

Figure B.2: A single figure containing sub-figures ((a) and (b)).
